Flags Over West Chester

Flags Over West Chester is the major fund raising project for Boy Scout Troop 940. Besides helping the Scouts' raise money for camping expenses, the Project helps build community spirit, patriotism, awareness, leadership, and responsibility while also providing a service to you.

Troop 940 will place a plastic sleeve in your yard and mark the curb/street at its location. The sleeve will be flush with the ground requiring no maintenance on your part. The sleeve will not interfere with mowing.

An American flag (details on the back) will be placed (Posted) at dawn and collected [Retired] on six national flag display days. The charge for this service is \$35 for the season.

By participating in Flags Over West Chester, you will help instill values and encourage and support character growth in our Scouts. You will also be displaying your patriotism when these flags fly proudly in your neighborhood.

Tell your neighbors and help line your street!

Display the Flag of the United States of America in your yard on six All-American Holidays!

Show the community your Patriotism and support local Boy Scouts!

The Holidays included are:

- Memorial Day
- Flag Day
- Independence Day
- Labor Day

YES! I want to participate in Troop 940's Flags Over West Chester for an annual contribution of \$35. Troop 940 agrees to place an American flag at the address indicated below on specified holidays.
