

Show your patriotism & support local scouts

Flags will be displayed on:

**Memorial Day
Flag Day
Independence Day
Labor Day
Patriot Day (Sept 11)
Veteran's Day**

To begin this service, complete the form below and return with your annual service payment.

Thank you for your support!

Presented by

Troop 940 of West Chester

Flags Over West Chester is the primary fund-raising project for Boy Scout Troop 940. In addition to helping Scouts raise funds for camping and troop activities, the program promotes community spirit, patriotism, leadership, responsibility, and service throughout the neighborhood.

Our Scouts will install a discreet ground-level sleeve in your yard and mark its location at the curb. The sleeve sits flush with the ground, requires no maintenance, and will not interfere with mowing or other lawn care.

On six designated national flag holidays, a high-quality American flag (details on the reverse side) will be proudly displayed in your yard at dawn and respectfully retired at dusk. **The seasonal subscription fee for this service is \$35.00.**

By participating in Flags Over West Chester, you are helping to develop leadership skills, character, and citizenship in local Scouts while also showing your pride in our country. **Together, we can create a patriotic display throughout our community!**

Please detach this portion below the line and return it along with your payment

BSA Troop 940: FLAGS - over - WEST CHESTER

I would like to participate in Troop 940's **Flags Over West Chester** program and make an annual contribution of **\$35**. In return, Troop 940 will place an American flag at the address listed below on the designated flag holidays. I understand that it is my responsibility to verify that flag placement is permitted by my neighborhood or homeowners' association, identify any underground utilities, sprinkler systems, or pet containment systems that should be avoided during the installation of the flag sleeve, and ensure the flag sleeve remains flush with ground level all season to not interfere with or damage lawn maintenance equipment.

Installation, Display & Service Information

FLAG SLEEVE & MARKER INSTALLATION:

It is your responsibility to verify that flag placement is permitted by your neighborhood or homeowners' association and identify any underground utilities, sprinkler systems, or pet containment systems that should be avoided during the installation of the flag sleeve.

Installation location is typically 12-18" from the curb/street near the center of your lawn.

We will install a discreet flagpole sleeve made from a 1 ft. section of PVC pipe in your yard, 18" from the curb/street. This pipe will be installed deep and low enough as to not interfere with regular lawn mowing.

We will also paint a Fleur de Lis symbol on the curb/street to mark the location of the sleeve.

SERVICE DAYS:

Flags will be placed on 6 national flag days:

Memorial Day (May)
Flag Day (June)
Independence Day (July)
Labor Day (September)
Patriot Day (September 11)
Veterans' Day (November)

POSTING THE COLORS:

Scouts from Troop 940 will place a flag in your yard in the early morning, at or near sunrise.

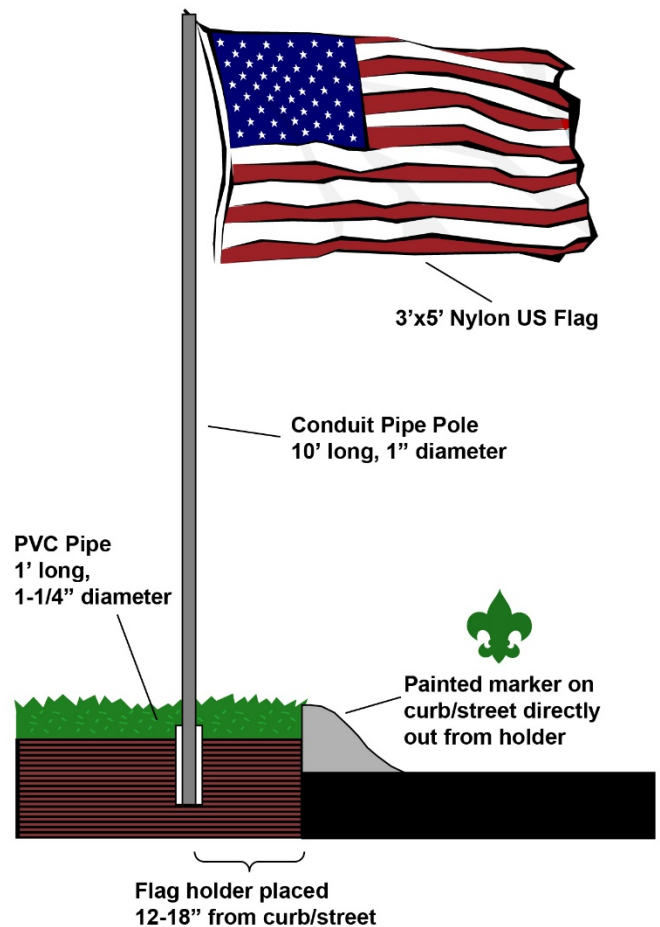

RETIRING THE COLORS:

Scouts from Troop 940 will retire the flag in your yard in the evening, at or near sunset.

WEATHER:

In the event of severe weather, flags may be posted/retired at an alternate time.

FLAG SPECIFICATIONS:

THANK YOU
for supporting
BOY SCOUTS TROOP 940!
